

KEEDYSVILLE PLANNING ZONING COMMISSION

MEETING January 8, 2018 7PM

Attending members: Sarah Baker, Matt Rhoads, Greg Carroll & Dave Bajuscak

Also attending: Rick Bishop

The minutes from October, 2017 were read and approved.

Ms. Baker noted the list of permits issued for October, November & December 2017.

Mr. Bishop noted that Katrina Wilson & Jayson Saling had been contacted and put in touch with SHA regarding the Main Street project and the stonewalls in front of their homes.

Mr. Bishop informed the Commission of the desire of Larry & Eric Matson to have their property be allowed to be more of an agricultural property with livestock and other agricultural functions permitted. He said that the Mayor & Council have agreed to look into the possibility of adding an Agricultural Zone to the Zoning Ordinance. Mr. Bishop said that any change will take a reasonable amount of work and eventually will require public hearings. He mentioned that during a conversation with Town Attorney Ed Kuczynski, Mr. Kuczynski said that another possibility would be put an "overlay" in place.

Mr. Bishop noted that the Mayor & Council are interested in purchasing the property at 15 So. Main St. and possibly use it as a small park and/or fishing area.

The meeting adjourned at 7:10 pm.

Submitted,
Richard Bishop
Town Administrator
