

**KEEDYSVILLE PLANNING AND ZONING**  
MEETING February 13, 2012 7PM

Attending members: Randy Burns, Ken Lord, Dave Bajuscak, Don Weigel, and Matt Hull

Also attending: Mary Robertson, Tim Robertson, Shannon French, Carl French

The minutes from November's and January's meeting were read and approved.

Discussion was held regarding a Maryland law concerning personal full financial disclosure for elected and appointed officials. Our Town is exempt from this law.

Tim checked with State of Maryland Planning and Zoning to make sure that towns are not exempt from their own Ordinances. A town may elect to fill out a permit application as a means of tracking. It is not customary to pay the towns fees since it is in and out of the same accounts.

Ken made the motion to adjourn and Dave seconded. All agreed. The meeting adjourned at 7:20 PM.
