

KEEDYSVILLE PLANNING AND ZONING

MEETING February 11, 2013

Attending members: Randy Burns, Don Weigel, Dave Bajuscak, Ken Lord, and Matt Hull

Also attending: Mary Robertson, Shannon French, Carl French

Minutes from January's meeting were read. Motion to approve was made by Don, seconded by Dave. All agreed.

There was no Old Business.

New Business: Matt brought information to the Committee that prices are being sought for new pipes and fencing for the Spring House Pumping Station in Keedysville.

Discussion was held regarding an article that Don read in the Howard County Times concerning fees that homeowners could face for watershed improvement due to an EPA vs Sierra Club lawsuit that the EPA lost in court. Discussion included lands that drained into the Chesapeake Bay, driveways, arbitrary fees imposed on municipalities, Keedysville's bill of \$10,000,000, and credits for trees planted and rain barrels. The county and state doesn't have a definite direction or standard as to how to satisfy this new directive.

Motion was made by Don to adjourn the meeting. Ken seconded. All agreed. The meeting adjourned at 7:20 PM.
