The minutes from May's meeting were read and approved.

Old Business: Dave Bajuscak was appointed to the Planning and Zoning Committee by the Town Council in their June meeting.

The Towns of Boonsboro had no comments for P & Z concerning our Comprehensive Plan. Randy made a motion to recommend the final draft for approval to Town Council pending any last minute remarks from Sharpsburg. Don seconded. All agreed.

Don expressed difficulty accessing the online course offered by Maryland Department of Planning. Matt will check with Rick to see if Don can use the Town's computer to complete the course. Information was given to David about this course. Upon completion there is a printable certificate.

The signature required for the Burtner plat did not receive the required second to the motion at Town Council. It was tabled until further notice.

New Business: The Paul and Rene Black deck permit was already issued for 28 Turkey Tract.

4 permits were issued in May from Rick Bishop, Town Administrator.

Phil Rhoderick's modular home is coming into Town this Thursday.

The parsonage at the Methodist Church will be sold in the future.

Shannon French volunteered her computer for Don to complete the MDP course.

Meeting adjourned at 7:19 PM.
