

KEEDYSVILLE PLANNING AND ZONING
MEETING September 13, 2010

Attending members: Tim Robertson, Randy Burns, Don Weigel, and Matt Hull

Also attending: Mary Robertson

The minutes from August's meeting were read and approved.

During last month's meeting, the Committee was informed that Phil Rhoderick was required by an insurance company to get a permit for a temporary shed. Discussion was held regarding the need to clarify the language in our Ordinance (Art. 4, sec 407) concerning temporary buildings, accessory buildings, anchoring footers, slabs, square footage, and lawyer verbiage. Tim will try to work on a definition for a future meeting.

Meeting adjourned at 7:27PM.
