

KEEDYSVILLE PLANNING AND ZONING
MEETING December 13, 2010 7PM

Attending members: Tim Robertson, Don Weigel, Dave Bajuscak, and Matt Hull

Also attending: Mary Robertson, Shannon French, and Carl French

The minutes from November's meeting were read and approved.

Old Business: none

New Business: Phil Rhoderick wants a permit for a For Sale sign to be placed at Rt 34 and Main Street. It will be temporary, 48 inches off the ground, 50 feet off of the road, won't interfere with traffic. After looking at the Zoning Ordinances (Article #704 E), the Committee determined his sign is in compliance. Rick will be advised to issue the permit.

Matt reported that the flashing sign that was located at the Red Byrd Restaurant is gone. Fred George was told that the sign permit did not carry over to the new owners. Mr. George had it removed.

Matt also reported that construction has begun at the water tank in Cannon Ridge.

Meeting adjourned at 7:16PM.
