Old Business: None

New Business: Dustin Gordon, Mt Hebron Road, was present at this meeting to ask questions about a 3 ½ - 4 acre property he wants to purchase next to the Town Spring. This land is behind the Hope property. He wants to build a home and he is in the inquiry stage. He wants to know if he can build on this property. Discussion was held that included the need to put in a water line and a sewer line that might tie into the well house, no blasting, and a US Geodetic Survey map that will help identify the type of land that is there.

Motion was made by Greg to adjourn the meeting. Sarah seconded. All agreed. The meeting adjourned at 7:20 PM.
