The monthly meeting of the Keedysville Water Commission was called to order at 8:34pm, with the following members present: Commission Chairman Barry Levey, Commission Members Ken Lord, Gina Ellis, Judy Kerns and Matt Hull and Town Administrator Rick Bishop

Minutes for January, 2019 were read and approved.

General Fund Report was \$112,745.50.

Mr. Levey said that easements need to be documented for sewer lines to be installed for 25 & 28 Antietam Drive.

Mr. Levey said that quotes for the portable generator that Boonsboro is looking to purchase had not been obtained yet.

Mr. Levey noted the water leaks that had occurred with the recent freeze and thaw.

Mr. Levey noted that he is concerned that some tasks that have been undertaken in Boonsboro Town Hall that assist in discovering the possibility of leaks in Keedysville, may be curtailed.

Mr. Lord asked about fire departments using water from hydrants in Town. Mr. Levey said that fire departments may use the water when needed. He did express concern that if the hydrants are not used properly a broken pipe can occur.

Meeting adjourned at 8:50pm.

Richard Bishop
