Water Commission Minutes June 2, 2021

Approved

The monthly meeting of the Keedysville Water Commission was called to order at 7:01pm with the following members present: Mayor Ken Lord, Council Members Judy Kerns and Sarah Baker, Town Attorney Ed Kuczynski, Town Administrator Rick Bishop, and Assistant Town Administrator Lisa Riner.

The minutes for May 5, 2021 were approved.

General Fund report was \$66,980.60.

Mr. Sweeney would like to use the revised Water System Preventative Maintenance Program document as a basis for developing bids for a maintenance program we can implement in the Town. He would like the Town Council to pass this as a joint resolution with the Water Commission. Our existing agreement with Southern Corrosion covers what is in this document.

During the last meeting of the Boonsboro Keedysville Water Advisory Board, Boonsboro said they have contracted out to set up an Asset Management program. The Town of Keedysville can do this as well if there is interest. More information will be coming soon.

Mr. Sweeney said we need to change out some meters to radio reads. There are about 26 that will be replaced by the end of the month, but there are probably another 85 to do in the future.

Meeting adjourned at 7:08pm.

Respectfully Submitted,
Lisa Riner
Assistant Town Administrator
