Water Commission Minutes November 3, 2021

Approved

The monthly meeting of the Keedysville Water Commission was called to order at 8:33pm with the following present: Mayor Ken Lord, Assistant Mayor Brandon Sweeney, Council Members Judy Kerns and Matt Hull, and Town Administrator Lisa Riner.

The minutes for the October 6, 2021 meeting were approved.

General Fund report was \$44,448.67.

There were no announcements.

Water rates and fees were discussed at the Mayor and Council meeting.

The water asset inventory is still in the works. Mr. Sweeney met with Boonsboro. They provided costs which Mr. Sweeney will get to the council to review.

The radio tower read costs were high. Mr. Sweeney met with Boonsboro and looked at different locations and discussed how many would need to be built. Boonsboro would have to upgrade or swap some of their meters. They are trying to get a field test going.

Southern Corrosion did their visual inspection on the water tower and everything looked good. We need to leave some light bulbs out there in case any go out. Southern Corrosion said if we put a tower read on the water tower, they recommend we go through them to have it installed so that it doesn't affect the warranty.

The Town hasn't gotten any inquiries recently about putting a cell tower at the water tower.

Mr. Sweeney updated Justin Holder on his situation and said that the County attorneys have sent it to DNR.

Meeting adjourned at 8:40pm.

Respectfully Submitted,
Lisa Riner
Town Administrator
