## Green Team Minutes February 17, 2022

The monthly meeting of the Keedysville Green Team was called to order at 7:02pm with the following present: Chairman Matt Rhoads, Team Members Jeff Russell, Sandy Lord, and Kathy Hoffman, and Mayor Ken Lord.

1. Approval of Minutes: January 20, 2022.
2. Old Business:
  1. MountainView Solar - waiting for a break in weather to do a tour of the land to see what will work
  2. Ken Lord being on MML - counts as points towards Banner City Certification
  3. Still waiting to see what is going on with taking down old street lights/replacing LED/checking on when the lease is up, etc. - Should we look into extending the new pedestrian lights further down both ends of Main Street?
  4. Street Sweeping - most likely wouldn't count toward Action Plan
  5. Jeff waiting to hear back about trees for Backyard buffers (tying in with Arbor Day) - Jeff will reach back out and ask specifically if the town can take advantage of the program
  6. Guidance Counselor Packet for high schools - Sandy will email to BHS, BISFA and Tech High
3. New Business:
  - a. Discussion of several properties within Keedysville with the potential for a park/potential skateboarding park?
  - b. Action Plan
    - i. Green Purchasing Policy - more than just choosing certain vendors (is it worth the 15 points for all that is involved?)
    - ii. Matt will look into clarifying the Green Team certification vs. Sustainable MD, etc.
    - iii. Town Survey - is there a deadline, what are the results of the survey?
    - iv. Matt is planning to look into the Action Plan, requirements, etc?, so we can start getting that formulated.
    - v. The town is looking for an additional part-time position, hoping to be filled in the next month. Perhaps this new part-time person can help with the organization of the Green Team

vi. Ken Lord will be attending the Mayor's conference soon and plans to speak to other mayors regarding their experiences with the Green Team

c. Next Steps

- i. Look into Action Plan organization for next meeting

4. Next Meeting: Wednesday, March 16th, 2022

Meeting adjourned at 7:55pm.
