*Judy Kerns, Council Member*  
*Matthew Hull, Council Member*

## **ADDENDUM TO THE REQUEST FOR PROPOSAL FOR WORK RELATED TO THE REPLACEMENT OF SECTIONS OF THE WATER SYSTEM WITHIN THE TOWN OF KEEDYSVILLE**

**JULY 7, 2022**

Based on a meeting held on June 28<sup>th</sup>, 2022 as well as questions from parties interested in the referenced project, The Mayor & Council of Keedysville would like to provide the following clarifications and additional information.

1. This scope of work is intended as a Design-Build project, in which the winning bidder will provide the design and construction services.
2. Piping that is being replaced shall be demoed, and **not** abandoned in place.
3. The original RFP included the most up-to-date water system layout drawing. To provide additional information, the Washing County Sanitary District Sanitary Sewerage Collection System map for Keedysville is attached.
4. Investigations on the existing water pipe conditions should be actual field assessments. Please provide methodologies for how these assessments will be performed.
5. Easement documents are available for the existing water system and can be found at Town Hall.
6. The due date for submitted proposals has been extended to August 12<sup>th</sup>, 2022.

Any additional questions should be directed towards Town Administrator Lisa Riner at [townhall@keedysvillemd.com](mailto:townhall@keedysvillemd.com), or Assistant Mayor Brandon Sweeney at [bsweeney@keedysvillemd.com](mailto:bsweeney@keedysvillemd.com).
