### **New staff**

Solar project/Grant from Maryland Smart Energy Communities Program  
Announced April 26

We have to provide a project outlining our use of the funds or we lose them  
There are some preliminary programmatic obligations which Lisa is handling

Lisa and I met with MTV Solar following the news, they are designing a system to get close to or slightly above the grant award

MTV Solar will make a presentation to the Mayor and Council at the June meeting with options for their consideration.

Backyard buffers - missed deadline this year, will pursue it next year.

Trees for people on the creek, yet also a cost sharing program for muni

How do we track our points? What documentation is needed

We didn't do a table a green fest

Jeff will look into tree city USA - 15 points

Certified by the Arbor Day foundation

Tree board? Can it be the green team?

Check with Jeff Davidson
