Green Team Minutes June 22, 2022

Approved

The monthly meeting of the Keedysville Green Team was called to order at 7:04 pm with the following present: Mayor Ken Lord, Council Member Judy Kerns, Team Member Jeff Russell, Town Administrator Lisa Riner and Administrative Assistant Teresa Pangle

Mayor Lord will write up minutes for the May 25, 2022 Green Team Meeting.

Danny Chiotos from Mountain View Solar called to cancel due to the weather.

Old Business, Potomac Edison will have to be called about the redundant street lights on Main Street.

Mayor Lord reviewed some options for the \$20k grant, being solar panels for the library roof, solar panels for the library roof and park, and solar panels to be added at a later time to Town Hall and the Water tower. The 1st phase to be the 20 solar panels at the library, and phase 2 could be the needs at the Park. Mayor Lord had hoped these things would be discussed further with Danny Chiotos from Mountain View Solar.

Town Administrator Lisa Riner mentioned the Town Council will have to pass 2 policies for the grant money. The Energy Efficiency Policy (reduce by 15%) and the Renewable Energy Policy (increase by 20%). The Council has already looked at these policies during the application process. The Maryland Dept of Energy supplied draft policies to use. The project application is due in December and the project has to be completed by November 2023. The Town has to establish a baseline with the amount of energy the Town is currently using through an energy audit, so some of the grant money will probably need to be used for that audit. The project will have to go out for bid since it is over \$10k. Mayor Lord said he did make contact with another solar company at the MML Conference.

Mayor Lord asked Team Member Jeff Russell if he wanted to be the Chairman of the group. He agreed, so Mayor Lord made the motion and Judy Kerns seconded, all voted in favor.

Mayor Lord asked that we put out a call for new participants. There was a discussion about changing the meeting dates. It was agreed to keep it to the 3rd Thursday each month.

Town Administrator Lisa Riner mentioned the Team needs to set the Action Plan. Items on the Action Plan were discussed. Mayor Lord motioned to accept the Action Plan, all were in favor.

Meeting adjourned at 7:34 pm.
