2023 Program Open Space Gazebo Project Addendum #1 March 16, 2023

1. The 12v lighting required in #2 of the Bid Specifications should include a motion sensor tied in with a timer rather than just a timer and a switch.
2. Only one (1) outlet needs to be included, but more than one is acceptable. The outlet will be for general use and should have enough power to accommodate the charging of a laptop, phone, tablet, etc.
3. The location of the gazebo and gravel pad is indicated in the attached site map on Page 2 of this addendum.

Any additional questions should be directed to Town Administrator Lisa Riner at townhall@keedysvillemd.com or 301-432-5795.
