Announcements: Boonsboro Keedysville Water Advisory Meeting will be on Wednesday, February 8th at 6:30 pm in Boonsboro Town Hall.

Old Business

Mr. Sweeney reported he met with Boonsboro to go over the joint water agreement. Discussion of the new calculation revisions went well. There was a discussion about the cost of capital expenses and how they should be split, water usage vs. accounts. Mr. Sweeney brought up it should be based on water usage and Boonsboro's Mr. Mantello thinks it should be based on accounts. A discussion to have at a later date.

New Business

Asset Inventory Management Memorandum of Understanding (MOU) - Mr. Sweeney is questioning Keedysville's responsibility and cost-sharing. There are no specific numbers mentioned, so will need to get into that at a later date.

Ms. Riner questioned using the standards of two different EDUs by Boonsboro (250) vs Keedysville (200) when they are on a joint system. There was some discussion and agreed to use the 250.

Ms. Riner is coordinating with Boonsboro and asked if there was any preference from the Council about communicating information to residents about the fluoride no longer being added to the water.

Meeting adjourned at 9:48 pm.

Respectfully Submitted,
Teresa Pangle
Administrative Assistant
