Announcements were read

Old Business

EDU Changes - Ms. Riner emailed Mr. Sweeney the 2nd draft of the letters and is waiting for feedback. Mr. Sweeney responded to the email saying the letters were good to go.

Tank Maintenance – Mr. Schumaker said we are good to go, just waiting on Southern Corrosion to get us on their schedule.

Lead & Copper Rule – Ms. Riner is reaching out to Maryland Rural Water to see if they can help us. Mr. Sweeney said in speaking to Ms. Gratton other Towns are experiencing the same concerns about not knowing what we need to do or the requirements.

Valve Exercising – Mr. Sweeney reported Huntzberry has the majority done and is putting a report together. There are some that need to be repaired and replaced. They will do a second cursory look at everything. Mr. Sweeney reported Huntzberry will not bill us for hydrant flushing since it was done by Maryland Rural Water.

New Business

Compensation for new Boonsboro Keedysville Water Advisory Board Chairperson – Mr. Sweeney said he hasn't had a chance to talk to Boonsboro yet on their opinion. Mr. Sweeney assumes whatever amount is decided on will be split evenly between Boonsboro and Keedysville because both equally benefit from her.

Meeting adjourned at 7:33 pm.

Respectfully Submitted,
Teresa Pangle
Administrative Assistant
