## Water Commission Minutes February 7, 2024

The monthly meeting of the Keedysville Water Commission was called to order at 8:07 pm with the following present: Mayor Ken Lord, Assistant Mayor Brandon Sweeney, Council Members Matt Hull, Sarah Baker, Town Attorney Ed Kuczynski, Town Administrator Lisa Riner, Administrative Assistant Teresa Pangle.

The minutes from the January 3, 2024 meeting were approved.

General Fund report was \$819,686.31

Announcements were read

### Old Business

Tank Maintenance – Mr. Sweeney is still waiting to hear back from Southern Corrosion. They are waiting for warmer weather.

Lead & Copper Rule Inventory – Ms. Riner has started on the spreadsheet. Much of it is easy enough, but the part for the service lines is going to be difficult because we need to physically look at every single and double crock. Ms. Baker has offered to help with identifying this information. This has to be done for every home in Keedysville. Ms. Riner said this is just one step in an enormous complicated spreadsheet.

### New Business

Letter of Support for Maryland Rural Water Association - Maryland Rural Water Association asked for a letter of support. Ms. Riner wanted to make the Commission aware this letter is going to the State Legislature which is where they get their funding.

### Commission Comments

Mr. Hull mentioned the leak at the water tower. The tower overflowed because it wasn't talking to the pumping station. All has been repaired.

Meeting adjourned at 8:15 pm.

Respectfully Submitted,  
Teresa Pangle  
Administrative Assistant
