The monthly meeting of the Keedysville Water Commission was called to order at 8:24 pm with the following present: Mayor Ken Lord, Assistant Mayor Brandon Sweeney, Council Members Judy Kerns, Matt Hull, Sarah Baker, Town Attorney Ed Kuczynski, Town Administrator Lisa Riner, Administrative Assistant Teresa Pangle.

The minutes from the February 7, 2024 meeting were approved.

General Fund report was \$839,704.01

Announcements were read

Old Business

Tank Maintenance – Mr. Sweeney reached out to Southern Corrosion and they will get back to him with a date.

Lead & Copper Rule Inventory – Ms. Riner reported the information for the year all structures were built is in the spreadsheet. 133 properties out of 410 could potentially have lead. To complete that spreadsheet we have to figure out what kind of pipes they have and how the pipes go into various homes, single meter vs. double meter. Ms. Riner said she is meeting with Maryland Rural Water tomorrow (3/7/24). After that, she will know what they can do for us. Boonsboro will also be at the meeting. Since the Towns are on the same water system they may have to be on the same inventory.

New Business

CREAT EPA Workshop – Ms. Riner will attend this workshop in April.

Meeting adjourned at 8:28 pm.

Respectfully Submitted,
Teresa Pangle
Administrative Assistant
