Announcements were read

### Old Business

Tank Maintenance – Mr. Sweeney reported tank maintenance will start on April 15<sup>th</sup>.

Lead & Copper Rule Inventory – Mr. Sweeney received two quotes, from 120 Water and EA Engineering. After reviewing he's not sure either is giving us 100% of what we need. 120 Water will send out a survey to collect information, but per MDE (MD Dept of the Env.) we can't use surveys without accompanying photos. EA Engineering is looking for documentation from us, which we don't have. Mr. Sweeney suggested Council members look over the quotes. He will be going back to both with questions. Mr. Sweeney mentioned putting out an RFP as another option. Since we have a joint water system we have to submit our inventory with Boonsboro.

### New Business

CREAT EPA Workshop – Ms. Riner said she will be attending this workshop. It is being hosted by Boonsboro.

Meeting adjourned at 8:39 pm.

Respectfully Submitted,  
Teresa Pangle  
Administrative Assistant
