Approved

Green Team Minutes August 21, 2025

The monthly meeting of the Keedysville Green Team was called to order at 7:05 pm with the following present: Chairman Jeff Russell, Mayor Ken Lord, Team Members Sandy Lord, Jason Krebill, Amy Thomas, Skadi Cooke, and Administrative Assistant Teresa Pangle.

The minutes from May 21, 2025 were approved.

Announcements were read.

Old Business

Reschedule Bird Strike Window Film – The rescheduled date is now Tuesday, September 9, 2025, at 4:30 p.m.

Writing/Art/STEM Contest for 250th/Springfest 2026 – Ms. Lord has been away and hasn't had much time, but she will work on the contest details to discuss at the next meeting.

New Business

Streambank Stabilization for Residents – Ms. Pangle mentioned that a few residents have expressed concerns about the flooding/erosion on their streambank property. She suggested the Green Team could contact ACWA and DNR to see if they could help address resident issues. Ms. Lord said she recently met with Mr. Schwartz (Maryland Forest Service) for a school-related project. She said he has access to a new funding program. It's a 5-year program and focuses on projects in 5 watershed areas, including Antietam. She can ask him to meet with us to evaluate our streambank issues. The funding isn't limited to streambanks, so other areas of concern can be considered. Ms. Lord said Catoctin Land Trust is another agency involved with this funding. Mr. Krebill offered to email Mr. Schwartz (Maryland Forest Service) and Mr. Fleisher (Catoctin Land Trust) to ask about potential opportunities. He will copy the rest of the GT on the email.

Fall Community Yard Sale/Bulk Trash Dates – The team decided on October 11, 2025, for the Community Yard Sale and October 18, 2025, for bulk trash pickup. Ms. Pangle will confirm the 18th with J & J Trash Service.

Comments by Residents

Christy Butler is interested in volunteering with the Green Team. She works for the Comptroller of Maryland as their Western Region Public Engagement Officer, and covers from Carroll County to Garrett County. She lives in Keedysville, just outside of the town limits, and would like to be involved in local activities. We are happy to have her.
