Mr. Sweeney spoke with Boonsboro about potential radio reads. Boonsboro is meeting with a couple of companies/contractors and hopes to have a decision in a couple of months. They may have grant money or are looking to get a grant. Mr. Sweeney said a couple of nice things are that one of the brands has software that works well with the software Boonsboro currently uses. Also, there is a feature (for a fee) that allows the resident to connect their cell phone to the meter, so they are alerted immediately of a leak. The meters cost \$360-\$390 each. Boonsboro plans to start with the old and replace as needed. Mr. Sweeney said they have dates on their meters and wasn't sure if we did. Ms. Riner said that since she's been here, she keeps track of when meters are replaced, and there is some data from before, but it's spotty.

Meeting adjourned at 8:09 pm.

Respectfully Submitted,

Teresa Pangle, Administrative Assistant
