Old Business

New Boonsboro Keedysville Water Advisory Board Agreement – Mr. Sweeney has a few thoughts and concerns with some of the markups from Boonsboro's attorney. He said there are a few sticking points that seem to reverse decisions that were made by the board. Ms. Riner said Ms. Souders answered questions to the best of her ability, but she may not have gotten everything 100% right, so some of the concerns may be related to that, and the markups could just be a mistake. Mr. Kuczynski said in his brief conversation with the attorney, Ms. Powell said she didn't have a lot of background or information. Mr. Kuczynski said since Mr. Sweeney and Mr. Hull have been actively working on this agreement, to email him with any comments regarding the markups.

Mayor Lord asked if the water board has found a new chair. Mr. Sweeney said no. He doesn't think anyone has reached out and talked to anyone yet. The chair position can not be a user of the system.

Mr. Sweeney asked if the EADS Group is moving forward with everything. Ms. Riner said yes.

Meeting adjourned at 8:37 pm.
Respectfully Submitted,
Teresa Pangle, Administrative Assistant
